

CHRISTMAS

AT THE ARMADA

A WELCOME FROM
FRANK MINOGUE

ARMADA

This Christmas, I'd like to warmly welcome you to the Armada, where our team have created something truly special for the season. We've taken care to bring together the best of Irish produce from land and sea, celebrating local flavours in ways that feel both familiar and new.

Why not make a night of it? Our festive overnights are designed to make this Christmas extra special. From waking to Atlantic views and hearty breakfasts by the sea, to evenings filled with good food & wine, or the buzz of Spanish Point at its most magical. Whether you stay or simply dine, every detail from thoughtful wine pairings to cocktails mixed with pride has been crafted to make your experience one to remember.

Most of all, it's about sharing good food, good company, and the spirit of Christmas by the coast.

We look forward to welcoming you this festive season.
