# Blend Box

700ml bottles of delicious cocktails, with the all garnishes & instructions you need.

## LINEUP SPRITZER €55

A delicate and dreamy clarified punch, a nod to the prohibition era classic, “Angel Face”. Combining Mist and Moss gin, Calvados, and Lusca Sparkling Pear Wine, warmed with winter spice citrus, this cocktail is as smooth as a fresh blanket of snow.

## SNOW ANGEL €65

Lavender, honey & fennel dressed up in bubbles, with Lillet doing all the charming. It's the kind of drink that wears linen & doesn't text back.

## BLACKROCK OLD FASHIONED €85

Rich, indulgent, and decadently smooth. Single Pot Still whiskey mingles with deep chocolate and a dash of tonka bean indulgence in a glass, with more sophistication.

## THE TRIO

Too hard to choose, don't worry, you don't have to!

Enjoy all three in our “trio”, 250ml bottles,.
