

In this corner back in 1958 the first seeds were sown for the Armada Hotel, when a small roadside shebeen first opened its doors under the watch of Johnny Burke. This corner of the house has welcomed visitors from our community and all corners of the earth. Over its many years trading, it has heard sing songs, seisiúns, story telling, witnessed love at first sight, sad farewells, tears of joy, and a dispute or two along the way! The Armada has changed shape and direction many times between then and now. You can follow our story on the walls, where we document the many stages of its development, and present to you some of the people that have made it a place we are so proud of. From our first bar staff, the first wedding held here, and the very first performers to entertain here from then until now, each and every person who has chosen this pub to, work in, enjoy, or perform in has been a part of our story.

The story of Johnny Burke's Pub and the Armada Hotel.

1968

And so the Journey began, the Armada Bar was purchased by Johnny Burke, Claire Joined him soon after. The foot print of the building and not an inch more, the ladies had the luxury of a toilet inside for the gents it was the great outdoors.

1971

The first of the Crew, JJ and Mary Clancy joined Johnny and Claire, Mary still helps us out from time to time.

1971

The Bannermen, featuring PJ Murrhy, Jimmy Ward and Michael Sexton, was the first foray in to live music, with the building of a small lounge out back. These night became huge for us for over 20 years. PJ is still a regular performer here.

1978

A new building with Bedrooms upstairs, home to the Burke family, while downstairs saw a new front and lounge bar, cards on a Sunday, Live music, and toasted sandwiches, homemade Ice pops for the summer!

1979

Johnny Burke (1943-2006) whom this bar is named after

**1984**

Love is in the Air, our first wedding was hosted here of Brendan and Nessa Sexton, it would be another 12 months before we hosted our second.

**2001**

More rooms and finally an established wedding market. Operating on a seasonal basis, with busy summers, and long slow winters.

**1998**

The first hotel bedrooms, and the new Nite Club, Discos filled the place and rocked the house every Saturday, with a new function room, the aim was to host a wedding a month.

**2008**

A new star is born, achieving 4 star status, and with the completion of the largest development to date, re-opening in March '08.

**2022**

We welcomed an entirely new look with the addition of Aileens Restaurant, a new look for the Ocean Bar and the Pearl Suite offering a truly authentic and unique dining experience.

# WINES

## Red

### tlg (2018)

*Temperanillo*

| *Carinena, Spain*

Carinena (300km inland from Barcelona) may not be well known, but wine making there has a long history. Recent investment, and those long warm summers, are producing tasty, soft, juicy wines.

### Finca Florencia (2018)

*Malbec*

| *Mendoza, Argentina*

Malbec's bramble fruit flavours and dark chocolate intensity are softened by spending 6 months in American oak barrels, giving a smoother, silkier mouthfeel.

### Esporão Monte

#### Vehlo Tinto (2020)

*Touriga Nacional, Aragonez, Trincadeira Alentejo*

| *Portugal*

A chance to taste (and pronounce) a blend of Portugal's unique grape varieties. Medium to full bodied, dark red fruits with hints of leather and sweet spices.

### Chateau Timberlay (2013)

*Merlot Cabernet Sauvignon*

| *Bordeaux Superior*

Rare to get the chance to taste mature Bordeaux at this price. Don't miss out!

### Baron de Ley (2014)

*Rioja Reserva*

| *Rioja, Spain*

Our signature red & a vineyard we have visited, experienced, and are passionate about. It's been the wine of choice for very special events here - a wine that delivers every time.

*"I only take a drink on two occasions: when  
I'm thirsty and when I'm not."*

-Brendan Behan

*“No man was ever born into this world with such a passionate love of liquor as myself. It isn’t just that I love liquor for the taste of it, I love the plop of whiskey into a glass.*

*I love it. I love to listen to it. I love to see the cream on a pint. I love the first, powerful violent impact of a glass of whiskey when I throw it back in me, and it hits the mark below. I chase it then with a pint, and that’s even more beautiful still.”*

-John B. Keane

*“And I wouldn’t be fond of drinking but when I do go at it, I go at it awful and very hard. I do have four to five pints in about two hours. I’d have a packet of crisps then, and maybe an auld packet of peanuts. And I’d go for probably... I’d have 10 more anyway. And I’d get up the following morning and Maureen would have the fry on. And I’d go at it again. And there’d be no f\*\*\*ing stopping me. I’d take the shirt off any man’s back.”*
