

ARMADA CREATIONS

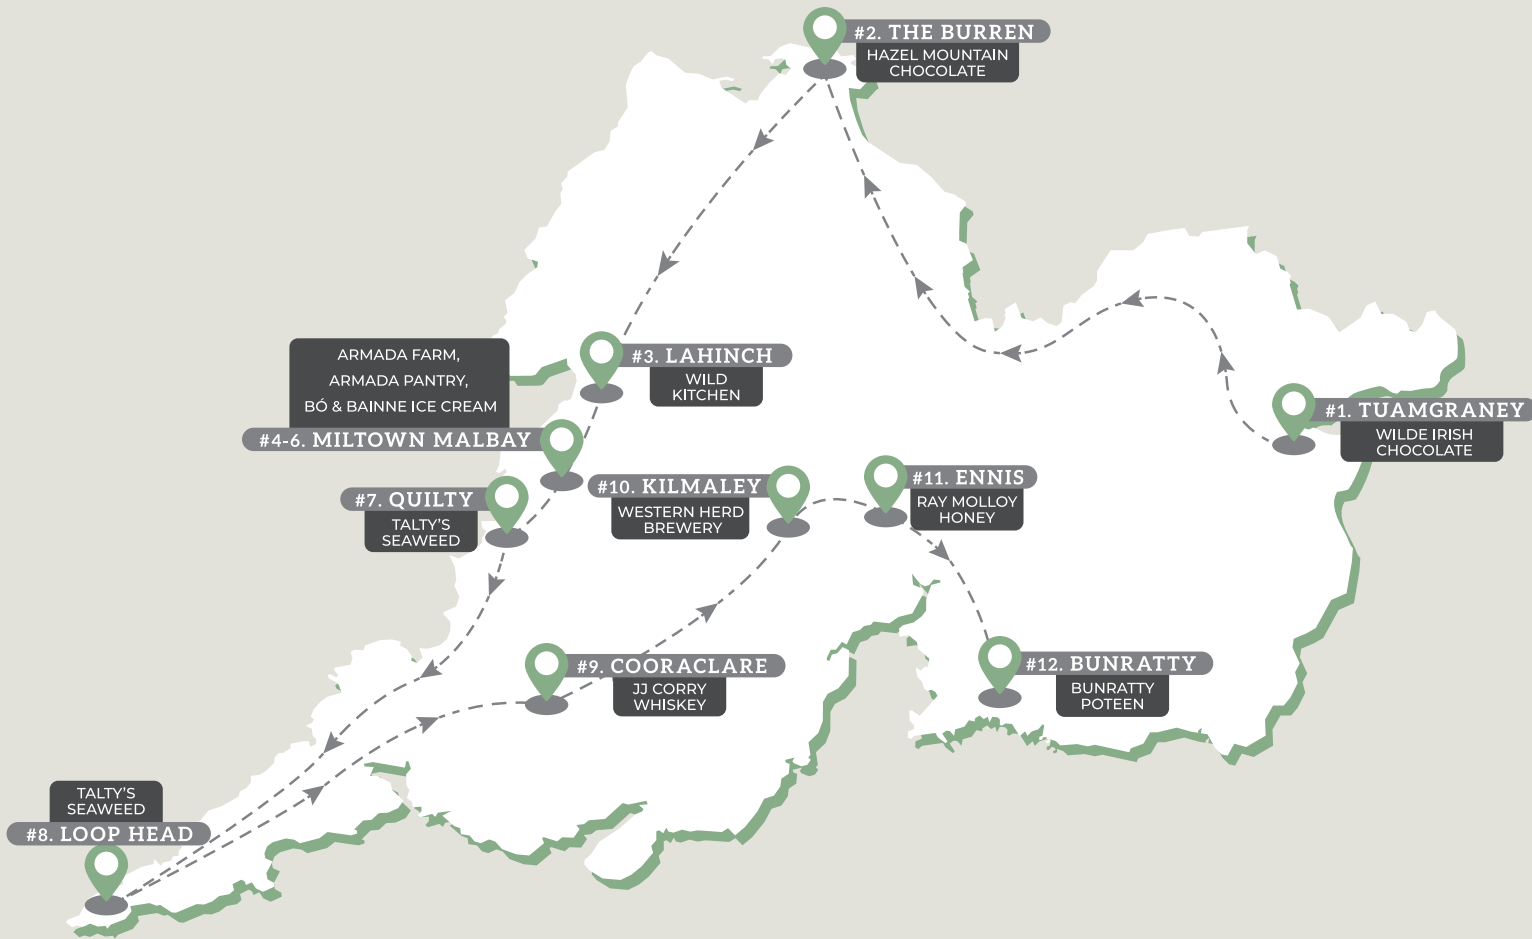

Our signature cocktail menu has been developed by our in-house mixologists, working hard to track down the best possible produce in our area. In this endeavour, we have created a cocktail menu that is inspired by our location, our people, and our ongoing commitment to the environment.

Being in the home of traditional music we did not stop there, with the help of PJ Murrihy, a local songwriter and singer, farmer and the first professional performer to ever play here in the Armada back in 1971, we devised a menu worthy of our beautiful surroundings. Throughout his career, PJ has gone on a journey, by both foot and by song, sharing tales, creating memories, and performing well known songs of beautiful County Clare for those far and wide. Now, thanks to PJ's lyrical legacy we have married local ingredients with PJ's renowned songs creating a roadmap through the picturesque towns and villages of County Clare. We hope you will join PJ on a voyage through this wonderful place we call home.

*"Whatever way the wind may blow along the coast of Clare,
drop into the Armada and leave behind your cares,
and taste their homemade beverage that's Irish to the core,
and have a cocktail party, like you've never had before"*

- PJ Murrihy

“No man was ever born into this world with such a passionate love of liquor as myself. It isn’t just that I love liquor for the taste of it, I love the plop of whiskey into a glass.

I love it. I love to listen to it. I love to see the cream on a pint. I love the first, powerful violent impact of a glass of whiskey when I throw it back in me, and it hits the mark below. I chase it then with a pint, and that’s even more beautiful still.”
